Test 2 Review

November 2015

Test 2 Review

- Text and Document Vis
- More on Multivariate: parallel coordinates, parallel sets
- More on Time
- Design Principles
- Shneiderman Lecture
- Keegan &Lytle Lectures
- Visweek paper on time vis
- Social Networking
- Program Visualization
- Gestalt

Scalability of Visualizations

- How well does a visualization scale up with more …..

- How might various interaction methods be used to make scale-up possible

- "You can show a little about a lot, or a lot about a little"

Mantras – what they mean, how to apply

- "Overview first, zoom and filter, details on demand"

- "Follow the Eyes"

- "Use Visual Structure to Reinforce Logical Structure"
